# CHAMBERLIN WILL FLY TO BERLIN. FETE IS PLANNED

*Frenzied Welcome Greets  
Flyers As Germany Makes  
Ready To Play Royal Host*

By L. P. NINCKERBOCKER

(By Universal Service)

COTTBUS, Germany, June 6.—"We've beaten Lindbergh!"

For Clarence D. Chamberlin, and Charles A. Levine, who retired early this evening in the Hotel Ansoerg in the obscure, little city of Cottbus, this thought meant more than the fact that they are today the national heroes of Germany.

ON TO BERLIN

Tomorrow, they go on the Berlin.

Seventy-five miles away, Berlin is seething with anticipation of the arrival of the daring aviators who, by flying 4,400 miles in 44 hours, had averaged a speed of 100 miles an hour and established a world record, even eclipsing the phenomenal accomplishment of their chief rival, Lindbergh.

Here in Cottbus, the two men who have become world figures since the clock went round four times, took their baths at seven p. m. admitted that they were tired, and went to sleep, content to wait for the laurels the German government plans to heap upon them when they reach Berlin tomorrow.

Beat Lindbergh

Through every word of their conversation, Chamberlin and Levine revealed that they were never concerned with anything but beating Lindbergh. Now that the cold figures revealed that they had traveled 300 miles further than their young competitor, and had stayed in the air ten hours longer, they were perfectly willing.

## STREET WORK IS PROTESTED

On the proceedings of the council initiated for the improvement of Rhoeon and Dunn avenue, and 13th, 15th, 17th, 18th and 20th streets, a protest was filed by the Richmond Company at the meeting of the council last evening.

Attorney De Lap, representing the company, appeared for the protestant and stated that part of the territory proposed to be improved is not settled, and it would be a burden on those to whom the assets of the company will ultimately be distributed.

De Lap stated he thought Rhoeon avenue should be improved, and only a part of Dunn avenue, but only a part of Dunn avenue, but only a part of Dunn avenue.

## Record Breakers In Germany

Neustadt traced business system back several years to the inception of the method of doing business on credit and pointed out the fundamental of sound business practice which are leading the public into a spirit of distrust and the merchant onto thin ice.

## Youthful Seaman Burglarize Candy Store; Arrested

Carl Featherston, 20, and John Smock, 16, student seamen on the S. S. West Prospect, now docked at Point San Pablo, are under arrest in the city jail following an unsuccessful attempt to rob the tobacco shop of Mrs. K. A. Govey and Mrs. A. W. Smith, at 801 Standard avenue, shortly before midnight last night.

The youths are alleged to have broken a glass showcase at the entrance to the store by means of a monkey wrench, and fled with a large quantity of tobacco and candy.

Hearing the sound of the breaking glass, Mrs. Smith and Mrs. Govey, who reside in back of the store, hurried out just in time to see the young seamen run down Standard avenue in the direction of the Standard Oil plant.

The police department was notified, with the result that the youths were taken into custody a half hour later by Officers George Bengley and Frank Fray. The tobacco and candy were found in their possession when they were arrested.

## RICHMOND DAY SPEAKER TELLS OF FORD PLANS

Several Hundred Local  
Women Attend Big  
Mass Meeting

Outlining the necessary action that Richmond must take to go ahead with her rapid industrial and shipping development of the past twelve months, Fred D. Parr, president of the Parr Terminal company, yesterday addressed the mass meeting of Richmond women held under the auspices of the Richmond club in the Roosevelt Junior high school auditorium.

Four actions outlined by Parr were: (1) That Richmond should pass the proposed bond issue for \$400,000 for harbor development; (2) Congressman Curry should be requested to make a re-survey of Richmond harbor; (3) The Chamber of Commerce should show United States engineers the need for a channel 400 feet wide and 32 feet deep; (4) Both the city and the Parr company should construct duplicate facilities on the Inner Harbor so as to provide sufficient berthing space for two deep sea steamers at one time.

Parr related some of the results of the eastern trip that he took with Councilman W. W. Scott recently. He announced that all arrangements have been completed.

## JUST AND JEST!

DECEMBER BEATS JUNE FOR MARRIAGES.

STOCKTON, Calif., June 6.—December as a marriage month has it all over June and all this June bride stuff is a lot of horse badish in the opinion of Justice of the Peace Albert C. Parker, who has bound 5,000 couples to honor and obey in his thirty years experience.

"June would be a dull business month if a lot of florists, department stores, furniture outfits and automobile dealers didn't step out and invite everybody to get married," says Justice Parker. "It's an annual publicity stunt. You can't fool me."

"I'll leave it to the county clerk if December hasn't got June beat as a city block for marriage licenses."

And the county clerk bore out the statement that June in the San Joaquin valley is all the bunk so far as marriages are concerned.

## Hubby Insists On Cotton Hose And Is Divorced

(City Universal Service)  
Black cotton stockings, when insisted on by a husband, are ground for divorce in any court in the country, according to Judge Thomas F. Graham, who yesterday granted Mrs. Mildred Walls an interlocutory decree because her husband, Ray Walls, a traveling salesman, prescribed them as a necessary part of her wardrobe. "My husband had what he called a 'code of dress' for me, and if I did not adhere to it there was always trouble in our home," Mrs. Walls told the court.

This "code" included not only the aforesaid black cotton hose but socks, length skirts and high-necked gowns, as well as other needless dress requirements which kept her in a constant state of nervous anxiety, she declared. Her husband's "code" did not extend to his own actions, for he insisted on exercising his prerogative as a man by staying away from home for weeks at a time, spending his evenings where he chose, drinking to excess and, in general, neglecting and ignoring her, she explained.

In granting her decree, Judge Graham declared that a husband did not deserve to have a wife when he insisted on her wearing cotton hose and long skirts in a day and age when gauze hosiery and knee length dresses were the badge of a well dressed woman.

## NEW PLANS FOR FARM RELIEF PRESENTED

(City Universal Service)  
WASHINGTON, June 6. Supported by bankers, industrialists and other business leaders, the big farm organizations of the country today presented to President Coolidge a new program for relief of agriculture.

It is a plan to help the farmers to help themselves. It proposes a government appropriation of \$5,000,000 for agricultural research. Control of destructive pests, development of new varieties of grains, fruits and plants, conservation of soil and forests, elimination of the waste in marketing farm products and advancement of the economic and rural life of the farmer would be among the subjects of research.

Industry joined hands with the farmer in stating the case to President Coolidge, giving positive evidence of the unity of interests.

Wilson Compton, secretary of the National Association of Lumber Manufacturers, nodded complete approval as the purposes of the new project to improve the farmer's condition was stated to the president by secretary A. M. Loomis of the American Dairy Federation. Henry H. Rice of the National Automobile Chamber of Commerce stood shoulder to shoulder with Fred Breckman of the National Grange.

In asserting the new unity of interest, Mr. Loomis said that general business has come to recognize that it cannot be fully prosperous unless the farmers of the country, with their enormous buying power, are obtaining the substantial fruits of their toil.

## MENJOU SHOWS SUAVE "GOODS" AT CALIFORNIA

Adapting to the tremendous popularity of Adolphe Menjou was the enthusiastic audience that greeted the initial showing of his latest Paramount starring vehicle "Evening Clothes," at the California theatre last night. Menjou, again cast as a continental, draws from a well-stocked repertoire to run through all the humorous situations in reels of sheer entertainment.

In the opening scenes in the French countryside, he plays the part of a gentleman of letters, a perfect characterization of the gentleman French farmer, a role that is different from anything he has ever done before. But as Lucien D'Artois of the landed gentry, he is as convincing as he has always been as a gentleman of Paris.

The story concerns itself first of all with the failure of Lucien to please Germaine (Virginia Valli) his bride. She has been brought up in the social circles of Paris and is unable to understand his courted ways. She marries him not through love, but in deference to the wishes of her parents. When she leaves Lucien on the day of their wedding, he determines to remake himself in order to win her affection.

The scene of the story shifts to Paris, where Lucien is moulding himself into a boulevardier. Here he assumes the polished sophistication that made him famous. His failure to win back his wife leads him to a life of frivolity, and he soon dissipates his fortune. Lucien, poverty-stricken is a humorous as well as a noble character. The crowning touch is when nothing is left of his former affluence except a dress-suit which incidentally is the only suit he has. His attempts at nonchalance while walking in evening clothes down the street in broad daylight, give rise to many humorous situations. Germaine's final recantation comes only after an intensely dramatic episode.

Luther Reed who directed Menjou in his recent hit, "The Ace of Cads," directed "Evening Clothes." In support are Noah Beery, Louise Brooks and Lido Manelli.

Other features include the fifth chapter of "On Guard," with Calton Landis; "Topics of the Day," and "Aesop's Fables."

## PRESBYTERIAN CHURCH HOLDS ANNIVERSARY

The twenty-fifth anniversary of the First Presbyterian Church in Richmond was celebrated Sunday with fitting services in both the morning and evening. Exceptionally large crowds were in attendance and an unusually fine program was presented.

The morning message was brought by Dr. W. H. Oxtoby, moderator of the synod of California. Tracing the history of the church during the last 25 years, A. H. Poage gave an interesting recital of important events surrounding the growth of the Richmond church. Rev. E. A. Wheeler, of San Anselmo, sketched the history of the Presbyterian church in California.

One charter member of the church, Mrs. T. T. Cramer, was present. Seven members who were active in the first five years of the organization were also in attendance.

Fine numbers were rendered by the choir at both the morning and evening services. Under the direction of F. A. Marshall, the following selections were given:

"My Heavenly Home," (Procter) Mrs. Rose Calfee, Mrs. W. P. Cooper, J. H. Plate and F. A. Marshall. Solo, Mrs. Rose Calfee; Anthem, "O For a Closer Walk With God" (Foster); Duet, "Forever With the Lord"; Anthem, "King of Kings" (Simper).

A fine program was also given in the morning by the children under the direction of Mrs. C. C. Miller. The committee on arrangements included: Mrs. Agnes Miller, Mrs. Smith, Mrs. A. H. Poage, J. H. Plate, and Mr. Lancaster.

Richmond's drive to raise \$2300 for the Salvation Army was launched yesterday with favorable reports being reported last night by various chairmen of the organization committee.

It is hoped to raise the \$2300, Richmond quota by the end of the week. ## EL CERRITO TO STAGE BOXING BOUTS FRIDAY

An all-star card is billed at Joe Rossi's El Cerrito fight emporium this coming Friday night headed by Gene Cline and "Tiger" Bob Robinson (colored). The men are middleweights. Robinson is from Denver and Cline from Fresno.

They will box the eight-round main event. A six-round semi will feature Bobby Ertle and Ray Walker, both of Oakland who fought a great fight at the last show and have been rematched.

Billy Watson, a fast Eureka b. y., will take on Johnny Lawson of Oakland in the special event.

Caesar Bertone, who all know as one of the best boys ever turned out in Richmond, will face Lou Richmonds, a fast Oakland featherweight.

Frisco Lenda, who always made good fights, will meet Johnny Lario. Billy Lakeman, a slugging little featherweight of Oakland who has been boxing main events around Bakersfield, will take on Nate Hirsch of Oakland in the opener.

All told there are thirty rounds of boxing billed and seven fights. That's just one more fight than any other club around the bay displays.

With such a galaxy of stars Rossi should have little trouble in selling out Friday night long before the first but is on tap.

## Prohibition Policy Undergoes Change

(By Universal Service)  
WASHINGTON, June 6.—A new federal prohibition policy took shape today, with announcement by Assistant Secretary of the Treasury Andrews of plans for standardizing enforcement activities throughout the country.

The standardization marks a return toward the centralization of enforcement authority which prevailed in the early years of enforcement and which Andrews upsets.

But responsibility for carrying out the board enforcement code laid down will continue to be lodged in administrators and other field offices.

"The object is a dignified, business-like, self-respecting organization which may ultimately win the respect of the public," Andrews said.

## ZUNI INDIANS ENTER COAST HIGHWAY RACE

(By Universal Service)  
SAN FRANCISCO, June 6.—Fourteen Indian runners from three states, New Mexico, Oregon and California, have been entered for the Redwood Highway Indian Marathon and endurance contest. Sponsored by the Redwood Empire Association, which will be started from the San Francisco Civic Center by Mayor Rolph at 10 a. m. next Tuesday, June 14. This is Flag Day as well as San Francisco bond election day and it is expected that the start of the race will be witnessed by thousands of spectators.

The New Mexico entries are three full blooded Zunis, picked as the toughest and best of the long distance runners on the reservation near Gallup, New Mexico. Their names are Melika, Hamon and Chochoe and they will make the 1,200 mile journey to San Francisco in charge of Mike Kirk of Manuella, N. M., and Howard Wilson of Fort Wingate, N. M., assistant trainer. Mike Kirk, who will enter the Zunis to run under the colors of Eureka, Willis and Marvelous Marin, trained and managed Chief Quawahu, the Indian winner of the recent New York Marathon.

The Zunis are noted for their endurance in carrying messages over long distances in the desert and mountains. They wear

a picturesque costume with colored head bands and silver belts. When they run, they strip to the waist, wearing only a breech-clout.

Oregon's entries, who will wear the insignia of the Oregon Cavemen, comprise eight husky braves of the Karok tribe on the upper Klamath, trained for weeks under the direction of J. R. Harvey of the Grants Pass Chamber of Commerce.

Del Norte county has two seasoned Indian runners in the race, Joseph La Fontaine, and Chester James Chase. Willits has also entered Otis Rocky of the Sherwood Indians, formerly of the pitching staff of the San Francisco Seals.

## Coolidge Gets Kick Out Of Vacation

(By Universal Service)  
WASHINGTON, June 6.—Like a schoolboy in the early part of June, President Coolidge today got a kick out of his plans for the summer vacation in the Black Hills of South Dakota.

The business affairs of the government pressed upon him but he paused to receive Senator McMaster and President Lusk of the South Dakota Chamber of Commerce.

Lusk told him that the people of the west, proud of his intention to abide with them, will place every possible convenience at his disposal for the comfort of himself and Mrs. Coolidge.

They want his ride into the state to be a triumphal procession. Accordingly, the president was urged to have his special train stopped at Yanktown for a great welcoming reception upon his entrance to the state and to make similar stops at the larger railroad centers beyond.

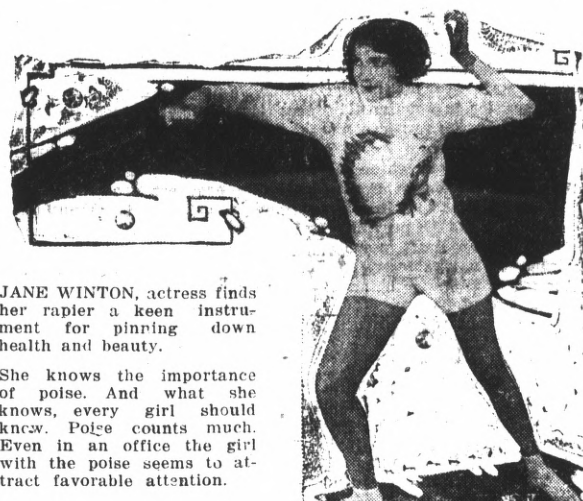

A special session of the state legislature has been called, Lusk said, and any accommodation needed in the state game lodge or the 125,000 acre state preserve will be voted with enthusiasm by the legislators.

The president will leave here a week from today. He is "up to the ears" in work and his budget speech on Friday night and the reception of Lindbergh have added to his duties.

Sacramento—Johnson & Greaves will establish gasoline and oil storage plant in West Sacramento.

Vallejo—\$50,000 new business building to be erected on Marin street.

## U. S. FACTIONS ROW IN CHINA

(By Universal Service)  
TIENTSIN, June 6.—Strong difference is said to have arisen between the U. S. navy and the diplomatic and consular corps over which the American legation should remain at Peking or be removed to Tientsin.

It is stated that the admiral commanding the American naval forces, supported by Gen. Smedley Butler, commanding the marines, urged the removal of the legation to Tientsin, the navy department influencing President Coolidge and Secretary Kellogg to approve it.

The decision was reversed when the American diplomatic corps got into action with a strong protest, supported indirectly by the British and Japanese on the ground that the hauling down of their flag at Peking by any great power would be a blow to their prestige not easily made good.

"The navy, it is understood, wants the American legation to retreat from Peking to Tientsin," said a prominent American to me today. "I understand that American Minister Macmurray and all the American consuls strongly oppose the move on the ground that American cannot afford to be put in the position before the Chinese or other powers as the first to run."

The British and Japanese legations, I believe, will remain in Peking. I hope and believe American will stick with us." Gen. Duncan's policy is one strongly opposed to intervention among the Chinese parties, and the avoidance of a display of unnecessary British military forces, but he will firmly protect British lives and interests if jeopardized.

About 1,850 American marines who arrived here yesterday were billeted in Tientsin quarters, and accommodations are being prepared for another 1,000 expected from Gungapo. Plans for the defense of Tientsin are being mapped out by Gen. Duncan, Gen. Butler and the Japanese command.

With the intervention on the side of the nationalists by Gen. Hsishan Tapan, of Shanghai, who for sixteen years has kept his province neutral, the fate of Peking is considered all but sealed.

## Ed Sullivan's SPORT WHIRL

GIVE TOMMY LOUGHRAN A CHANCE!  
Just why Mike McTigue is to be given first crack at Jack Delaney, light-heavyweight champion of the world, is something which this writer cannot fathom.

The match is in the making and will come up before the New York State Athletic Commission on Friday.

The New York State Athletic Commission should turn it down, emphatically.

Tommy Loughran of Philadelphia has just as much right to the Delaney match as McTigue. Any arrangement which would leave Loughran out of the picture should not be tolerated.

They have said that he is not a club fighter; that he does not put up a spectacular exhibition.

Boil down all of the explanations to their root and you will find that the main objection to Loughran is that he is too good. They are afraid of him.

Loughran fought Tunney before Tunney was champion. The first punch out of the box Tunney floored him. Loughran went down for a count nine and then got up and gave Tunney a manly argument for the balance of the fight. He made Dempsey look silly at Atlantic City.

When every one was ducking Harry Greb, Loughran fought him and beat him in Boston. He beat Georges Carpentier and almost knocked him out.

He slashed the late Jimmy Delaney of St. Paul to pieces. He made Young Stribling hold and stall at Ebbets Field, and this at a time when Stribling was probably in the greatest condition of his career.

He fought Jack Delaney twice and Delaney was unable to land that dreaded right hand on him for twenty rounds.

I am confident that Chairman James Farley and his colleagues, William Muldoon and George Broderick, will see that the 24-year-old Philadelphia is given a square deal in this instance.

A few years back Washington and Pittsburgh were engaged in a World's Series. Washington got off to a bad start. The only player on the Washington club who could do anything at all was Joe Harris, substitute outfielder. He banged base hits all over the park. Last season Washington decided that Joe Harris was through. The Senators waived him out of the American League. Pittsburgh, remembering what he had done AGAINST them in the World's Series, bought him up. On Monday of this week Joe Harris beat Chicago with a last inning single. On Tuesday of this week he beat Chicago again with another last minute blow. He'll break Clark Griffith's heart before the season ends.

Santa Rosa—Construction commenced on storage plant of Santa Rosa Oil burner company on Santa Rosa avenue.

## HEART TROUBLE Marvelously Relieved

While visiting her daughter here in Oakland, Mrs. W. H. Morton of Stockton was in such great pain due to heart trouble that she could neither walk nor rest with the slightest comfort. All the physicians whom she consulted expressed the opinion that she had not more than ten days to live. She truly seemed to be at the point of death when she took her first rest after many weeks of terrible suffering. After four weeks of the Fong Wan Herb Treatment, she was able to return to her home in Stockton. From that city she has sent the following testimonial to the Fong Wan Herb Co.:

**OWES HER LIFE TO FONG WAN HERB**  
Stockton, Cal., March 21, 1927.  
To the Fong Wan Herb Co.: I have been a sufferer with valvular trouble in the heart for some time. I became so ill that my doctors, who were many, gave me but a week or ten days to live.

I decided to try the Fong Wan Herb Co., and to the amazement of all who attended me, I was able to walk into their office after taking the Herbs one week. I have now taken them four weeks and not only have a good heart, but have also been helped in other ailments. I cannot speak too highly of the Fong Wan Herbs, as I owe my life to them. I am very grateful to Fong Wan for his kindness.

## Council Is Told Of Eastern Trip

At the meeting of the council last evening Councilman W. W. Scott made a very interesting report on his trip with Fred Parr to the different industrial centers of the east and also to Washington.

He told of having again visited the Ford Plant, and that everything was now in readiness for the money to be paid over and the deeds transferred in a short time. It was his opinion that the Ford plant in this city would be much larger than any one had anticipated.

Scott also told of his visit to Colonel Denkyne, and a talk over the harbor situation in Richmond.

## Scott To Speak At Elks' Meet

Councilman W. W. Scott, who, along with Fred Parr, has just returned from a trip east where a study was made of modern dock facilities, will give an account of his trip at the weekly business meeting of Richmond lodge of Elks this evening. Scott is esquire of the local lodge. Dr. A. B. Hinkley, exalted ruler, will preside.

Dr. Dukes, Martinez traffic officer, was yesterday appointed to the county traffic squad by the board of supervisors.

# RICHFIELD WINS AGAIN

THE SEVENTH  
CONSECUTIVE VICTORY  
AT INDIANAPOLIS

GEORGE SOUDERS, 1st; Earl Devore, 2nd; both exclusive users of Richfield Gasoline and Richlube Motor Oil! Another sweeping victory for Richfield—doubly impressive because

of the fact that out of 33 cars entered in the race less than one-fourth of them used Richfield.

¶Souders covered the gruelling 500-mile stretch in 5 hours, 7 minutes, 33.8 seconds—averaging 97.54 miles per hour.

¶Year after year, in race after race, Richfield continues to win—to furnish the tremendous speed, power and endurance necessary to "finish in the money." Richfield has won every important speedway event in the past seven years, except one.

¶There is a reason for Richfield's consistent supremacy!
